SUMMARY

Computer Science undergraduate with internship experience in web development and software engineering. Skilled in HTML, CSS, Bootstrap, JavaScript, Python, and Django, with a strong interest in learning and applying technical skills in an enterprise environment through an Infosys internship.

EDUCATION

Aditya College of Engineering and Technology, Surampalem Bachelor of Technology in Computer Science and Engineering CGPA: 8.72/10	2023 – 2027
Narayana Junior College, Kakinada Intermediate, MPC Percentage: 83.7%	2021 – 2023
ZPP High School, U. Kothapalli Secondary School Certificate Percentage: 85.8%	2020 – 2021

SKILLS

- Backend: Python, Django, REST APIs
- Frontend: HTML, CSS, Bootstrap, JavaScript, React.js
- Databases: SQLite, SQL
- Core Concepts: Data Structures, DBMS, DSA
- Tools: Git, GitHub, Docker(Basic)

PROJECTS

- **DevOps Pipeline Simulator**
Docker, Docker Compose, CI/CD, Automation, Monitoring
Designed and built a DevOps pipeline simulator to automate build and deployment processes and simulating real-world CI/CD workflows using docker based containerization and monitoring tools.
- **AI Social Media Automation System**
Python, APIs, Automation, AI Tools
Developed an AI-driven automation system to generate, schedule, and manage social media content using API-based automation workflows, reducing manual effort by 40% while significantly improving efficiency.
- **Food Munch – Responsive Restaurant Website**
HTML, CSS, Bootstrap
Designed and implemented a fully responsive restaurant website featuring menu display, delivery and payment sections, and smooth user navigation.

INTERNSHIPS

- **CampusConnect Internship – Web Development Intern**
HTML, CSS, JavaScript, Bootstrap, Python, Django, SQLite
Developed a task management web application with features such as task creation, search, filtering, and tracking using Django, and designed a responsive and productivity-focused user interface to improve task management efficiency.

CERTIFICATIONS

- Python for Beginners – Udemy
- SQL – HackerRank
- C Programming – Cisco
- Cloud Computing Foundations – Google Cloud
- Essentials of GenAI – DigiSakshyam
- Design and Implementation of Human-Computer Interfaces – NPTEL

SOFT SKILLS

Problem Solving | Team Collaboration | Communication Skills | Time Management | Adaptability & Quick Learning
